LIGHTSMART

Halo FS1 $98

The shirt that turns sunlight into red light.

UV2RED™ converts UV and high-energy sunlight into red and near-infrared light.

30%+ more red light
More of what your body wants

Always UPF 50+
Finally UV is put to work

4°F+ cooler
Less heat, more time outside

WHY IT MATTERS

Every day now brings more red light: the walk, the round, the school pickup. Protection and comfort come built in.
Nothing to charge. Just get dressed.
